OFF SCHOOL CAMPER BEHAVIOR EXPECTATION FORM

Camp activities, including camp transportation, often are as good as the behavior, interest and attitude of the participants. These ingredients set the mood for the entire camp day. An ill-behaved camper will find difficulty, which could result in a negative experience or injury for others in camp. Courtesy and politeness are always appreciated. The purpose of our camp is to develop new friendships, knowledge, skills, and promote an enjoyable day away from school. This can be achieved only when the rights and welfare of all are considered.

All campers are subject to the rules listed below. Our staff is instructed to maintain these rules. Please read them carefully.

- Campers are subject to the authority of all the YMCA Staff at all times.
- It is a state law that everyone riding a bus must remain seated.
- Campers must keep their hands to themselves while on the bus and at camp.
- When riding a bus, no body parts or objects are to be sticking out of windows. It is inappropriate to make obscene gestures out of the bus windows.
- Campers will be responsible for keeping their bus clean from garbage. Garbage is to be put in the trashcan and not thrown out the windows.
- Campers should keep noise level to a minimum. It is a State Law that when crossing railroad tracks it is silent on the bus.
- Campers should be on time for scheduled activities. Tardiness results in everyone being inconvenienced.
- Campers are expected to care for their personal belongings. We strongly encourage all jewelry and electronics to be left at home. Use good judgment when packing for a trip. The camp will not be responsible for lost items.
- Campers are expected to show consideration and respect for their fellow campers, counselors, bus drivers, and other YMCA staff. Fighting and disrespect will not be tolerated.
- Campers must respect the YMCA property, facilities, and equipment. Any damages or theft of supplies will be paid for by the camper or their parent/guardian.

Any camper who commits a serious discipline situation or continues to disregard any of the above rules will be subject to the following consequences.

The course of action may be accelerated for very serious offenses. All offenses will be documented.

- **1st Offense:** A verbal warning.
- **2nd Offense:** A phone call to parent/guardian
- **3rd Offense:** A one-day suspension from camp
- **4th Offense** *(if in regard to transportation)*: Camper will no longer be allowed to use bus transportation.
- **5th Offense** *(if in regard to behavior at camp)*: Possible Dismissal from Camp.

The YMCA reserves the right to dismiss any camper who repeatedly disregards Camp Rules, or endangers the safety of the students or others.

After reading these rules, I understand the importance of good behavior as it relates to a successful summer.
