## TOGETHERHOOD™

**TOGETHERHOOD™** is a nationwide program led by a committee of YMCA members that helps organize and run community service projects. Participating in the **TOGETHERHOOD™** program is an easy, fun and rewarding way to volunteer for service projects that strengthen the community where you live. Not only will you have the chance to help your neighbors receive the support they need to feel healthy, connected, and secure, but contributing your time and talents for the good of others can enhance your own well-being!

**Meet** people who are excited to better understand our community's challenges and develop creative ways to meet them.

**Discover** how personally rewarding it is to engage with others in improving community life.

**Experience** a deeper sense of belonging to and responsibility for the place where you live.
