

## Meet your new Head Coach!

Mark Scheller comes to the Neptune swimming family with over thirty years of coaching and competing experience. He started his swimming career as a competitive swimmer for the YMCA, and continued on with his high school. Mark was a part of the USS national team, competed for The Ohio State University, swam on the USA National Swim Team, and continued on with USA Masters Swimming. As a three time Olympic time trial qualifier in four events, Mark has devoted a large part of his life to the sport that we all love.

Mark has coached for Madison High School, as well as the YMCA of Lake County and here at the YMCA of Youngstown. Mark is certified through the YMCA of the USA as well as USA Swimming. He currently is a teacher at Heartland Christian School in Columbiana, Ohio, teaching Physical Education, Health, and Bible. Mark is the proud husband of Beth and father of Jordan, Jacob, and Jayden.

We are excited to welcome the skills and experience that Mark brings to the Neptune program, and believe that he will be a valuable asset to the swim team and its swimmers. Mark says "I am thrilled to be involved with this swimming program, and welcome the opportunity to develop relationships with the swimmers and their parents".

Stop at the Neptune tent at YSL championships or stop in at the Y on Meet the Coaches Night on Thursday, September 8 to meet Mark before the 2016 season officially starts.

Welcome to the team, Mark!
