

The Y and Jr Cavs Partner Up

The YMCA of Youngstown and the 2016 NBA World Champion Cleveland Cavaliers are excited to announce the birth of an exciting, long lasting win - win partnership to transform and grow our current Youth Fundamental Basketball League to be the best at our craft in our community. We strive to instill in our players a life-long love for the game by creating fun and memorable experiences, steeped in an energetic and positive basketball culture.

Together our focus will be to provide youths of all ages, backgrounds and skill levels the best opportunities to learn what it takes to win both on and off the court.

The Jr Cavs partnership with the Central Y's Youth Basketball Leagues represent nothing less than a united community of dedicated teams, committed coaches, involved parents/guardians and players who share a common goal- supporting the positive benefits achieved through participating in the game of basketball.
