Community Cup Kick-Off Breakfast CENTRAL YMCA

The 28th annual Community Cup Season begins with a kick-off breakfast on Tuesday, April 25, 2017, at 7:30 am in the Manchester Room in the YMCA. For the last 27 years, the YMCA has organized this premier fitness challenge for area businesses and community organizations. Employees and their spouses participate in up to 18 athletic, team oriented events all designed to promote fitness, team work, company pride and community spirit. Join us for breakfast to learn how participation in the Community Cup can benefit both you and your company. Reservations are required.

Contact the YMCA at 330-744-8411 by Thursday, April 20th. You can also e-mail cup@youngstownymca.org. If you can't make it contact us anyway and we'll be sure to send updated information on this year's exciting program.
