PAINT AND CREATE

Cocoa and Canvas

Come join us for our monthly paint night where you and your little ones can come and paint a wonderful work of art and sip on some cocoa at the same time! Each month there will be a different painting that will be fun for all ages to enjoy! Never painted before? No worries! We'll instruct you step-by-step on how to paint your masterpiece! Create your own acrylic masterpiece that you get to bring home with you. We cover the painting supplies, the music, and the cocoa, but you are responsible for covering your clothes! Half of the fun is getting messy! All you need to do is show up ready to have an awesome time, no painting experience needed!

Saturday, September 9th • 5:00 – 7:00 p.m. Ages 6+
