# PAINT AND CREATE

## Pumpkin Spice Paint

We are switching things up a bit for the holidays! Express yourself on a festive medium, and sip on some pumpkin spice coffee and hot cocoa! Pumpkins will be provided by Angiuli Farms. Each participant will receive two pumpkins and we will have a variety of ideas, paints, and supplies to make your pumpkin dreams come to life. If you have a special design in mind, go ahead and bring the materials you need to make it happen. There will also be a Pumpkin Spice contest for the most creative pumpkin decoration! There will be a child and Adult winner! Make sure you wear something you don't mind getting messy.
