YMCA Youth & Government prepares teens for moral and political leadership through training in the theory and practice of developing public policy. Teens write bills, then debate them in a model legislature complete with delegates, judges and members of the press at the statewide assembly at the Ohio State House. It costs \$275 for each student to attend, so any donation towards furthering their passion for the legislative process would be greatly appreciated. Help support our High School Youth In Government by attending this Spaghetti Dinner at the Davis Family YMCA. Our teens will be there to help serve and take care of your dining needs.
