

2018 Community Cup Roster Worksheet

Captains: Use this worksheet to help organize your team. It is not necessary to submit this form to the Community Cup Office. Make a few copies if you think you'll do a lot of erasing. Some events require a certain number of males and females. Others have exceptions. Still others don't have a gender requirement like the time prediction events. See the Rules Booklet for clarification. M=male F=female ALT=alternate
