

Y's BASKETBALL "QUICK" LEAGUE MISSION

Our youth basketball league is a Value's and Skills' based sports program designed for 4-15 year old boys and girls. All skill levels are welcome and encourage those with competitive or advanced skills to challenge their abilities by choosing to participate one age division up when possible.

Through resources provided for our YMCA Youth Sports Programs, coaches, players, parents and officials will be prepared to offer a playing environment that emphasizes fun, personal excellence, growth, good sportsmanship and building character while deemphasizing the need or desire to Win at All Costs. Healthy competition supported by Equal Playing Time for All is the focus of this youth sport program.
